WHO WE ARE

LCCS “Cloud Solutions for Entrepreneurs” is the first and only cloud-based operator that supports Hong Kong company formation and maintenance online.

LEAVE THE TECHNICAL STUFF TO US

Simply select your service on our website, then we take over! www.lccs.com.hk

With our professional expertise we will ensure all forms and processes are handled correctly saving you time and money. We also provide free detailed information via our blog and customer services agents making sure you are aware of requirements and deadlines so you may avoid unnecessary delays and penalties.

Don't underestimate the amount of expertise, time and work involved to set up and maintain your company.

Time and energy better spent on developing your business!

CLOUD-BASED

Our cloud-based system means all your data is automatically and safely backed up. This also means you can access our solutions anytime, anywhere, from any device.

5 STAR CUSTOMER SERVICE*

Efficient, accessible, complete, you can count on us to deliver quality value-added services. We provide a lot of free information and answer questions and requests within 24 hours [except weekends and public holidays].
