

The finance stack for global founders

Aspire gives you a business account, corporate cards, and expense management tools — all in one place.

When you're building, every dollar counts. With Aspire for Startups, new customers get up to **HK \$4 million** back in their pocket.

Get started

[Full terms and conditions here.](#)

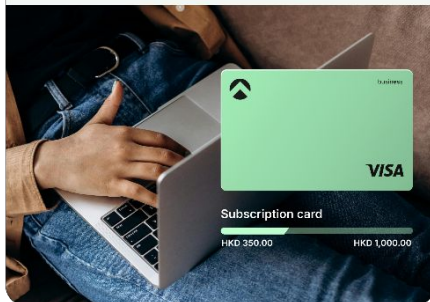

Business account

A multi-currency account to send and receive in HKD, CNY, USD, GBP, EUR and more — with priority onboarding in 3–5 days.

Corporate cards

Physical and virtual cards for your whole team, with built-in spend controls to keep expenses in check.

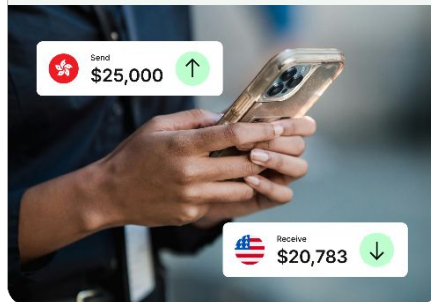

Expense management

Gain real-time visibility into all expenses. Track, approve, and reconcile every dollar without chasing receipts.

FX & payments

Pay vendors, contractors, and teams across borders quickly with transparent FX rates and same-day transfers.

Aspire is the finance stack that helps global founders build fast and scale freely — with no minimum balance, no borders, and nonstop support. To date, Aspire has powered over US\$25 billion in payments across 30+ countries, enabling the next generation of global founders to scale without the friction of borders.
