InvestHK
The Government of the
Hong Kong Special Administrative Region
of the People's Republic of China

Mr Arnold Lau
Associate Director-General of Investment Promotion, Invest Hong Kong
The Government of the Hong Kong Special Administrative Region
of the People's Republic of China

InvestHK is the HKSAR Government's dedicated investment promotion agency, providing customised, confidential and free support for companies to establish and expand in Hong Kong and to use the city as a platform for outbound investment. It delivers sector-specific advice, coordinates with relevant government bodies and professional service providers, and offers ongoing aftercare to foster sustained inward and outward business growth. InvestHK also works closely with other government departments to reflect investor feedback in policy design, strengthen the overall business environment and enhance Hong Kong's competitiveness as an international investment hub.

Mr Lau is responsible for **Innovation & Technology and New Economy**, overseeing the following industry sectors within InvestHK:

- Innovation & Technology;
- Life and Health Sciences;
- Transport, Logistics & Industrials;
- Startups;
- Northern Metropolis & Infrastructure Development

He leads InvestHK's investment promotion efforts for the **Northern Metropolis**, attracting enterprises to set up in the district and nurturing new growth drivers, with a particular focus on innovation- and technology-intensive industries, including artificial intelligence, life and health sciences, modern logistics, advanced manufacturing, microelectronics and new energy, and on building an integrated ecosystem of complementary sectors that underpins the district's

development.

Prior to joining InvestHK, Mr Lau held senior roles across the public and private sectors, including a major technology research institute, a Fortune Global 500 company, multinational and Chinese enterprises, and leading management consulting firms. He has extensive experience in technology-intensive and innovation-driven sectors, covering applied research commercialisation, smart-city and digital-urban development, and technology-enabled services, built on a strong consulting foundation in strategy, digital transformation and performance improvement.

Mr Lau holds a Master of Business Administration and a Master of Science in Management Information System degrees from Boston University, and a Bachelor's degree in Social Science from The Chinese University of Hong Kong.
