About the Principal Member — Hong Kong World Link CPA

World Link CPA's commitment to excellence is evidenced by our heavy emphasis on the selection of staff, continuing professional education programmes and research resources. Internal training courses are specialized and coordinated by our Training Director to enhance the professional knowledge, working techniques and communication skills with our clients. This enables our people to manage the service process with maximum efficiency and effectiveness.

World Link has successfully assisted several companies listed in the GEM and Main board in Hong Kong and has provided auditing, merger and acquisition, consultancy and tax advisory services to various listed companies in Hong Kong and PRC. We have specialties in providing professional advices on tax issues for PRC companies listing in Hong Kong and issues regarding cross border merger and acquisition.
