Our range of legal services

The law firm for success

We are the only international law firm focused on private capital and successful individuals.

For over 125 years we have been proud to assist some of the world's most remarkable people and organizations in realizing their ambitions, protecting and defending their interests and using private capital to transform the world around them.

Whatever success means to you, we can help.

Global reach

We help clients with interests in over 100 countries, distinguishing ourselves from our competitors through our highly personal approach. We work seamlessly across borders so that our clients can receive advice, whenever and wherever they need it.

Our team

The key to our success lies in the skills and experience of our people, located across the US, Europe and Asia. With over 220 partners, 650 lawyers and more than 1,500 people globally, our team is brimming with creativity, personality and legal knowledge. Confidentiality is paramount and we champion our clients' interests, locally and globally.
