Charles Russell Speechlys

Why is Charles Russell Speechlys the right choice?

We're only human

And we consider that our superpower, not a weakness. We are proud to put people at the centre of our practice.

We've built our firm on establishing trusted, personal relationships with our clients. After all, we are here to guide them through their most pressing challenges and most rewarding opportunities.

We do this by getting to the heart of our clients' needs to bring them best-fit solutions – based on our years of experience, collective legal expertise and global reach.

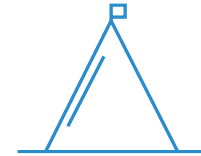

We chase solutions

We know it's not enough to understand the law – we have to understand our clients just as well. So we apply a people-focused lens to every action we recommend.

We'll interrogate your challenge from every angle – but never lose sight of the big picture or the people involved.

Our aim is to use our market intuition to put our clients ahead of the game, bringing you proactive solutions to problems you haven't yet seen coming.

We love a challenge

We see how quickly the world is changing and what that means for our clients.

We don't just keep pace with this change, we constantly move forward to meet it. So that we can support our clients through whatever they face. We've forged a collaborative and creative culture that gives us the freedom to think ahead and to think beyond.

So we can pave the way to success for our clients – today and tomorrow, wherever they are in their journey and whatever comes next.

Asia

Hong Kong and Singapore are Asia's premier international financial centres and private wealth management hubs for their strategic positions, strong legal systems, and business-friendly climates.

Our firm is dedicated to maximising the opportunities these dynamic markets offer for our clients and contacts. With a deep understanding of the cultural nuances and business landscapes, we provide comprehensive support across Asia, advising individuals, families, and family offices on international wealth planning, and assisting corporates with cross-border transactions and advisory services. We are also adept at resolving disputes to secure favourable outcomes for our clients.

Our Asia offices

Hong Kong

Our Hong Kong office opened in 2017, marking the start of our presence in Asia at the heart of one of the region's largest private wealth management centres. Serving as a key hub for Greater China and the wider Asia-Pacific, we offer integrated, cross-border expertise across *private client services, corporate and commercial law, corporate finance, financial services regulation and funds, real estate, family law, and dispute resolution.*

Singapore

Established in 2023, our Singapore office is situated in one of the world's leading financial hubs and acts as a strategic gateway to the fast-growing markets of Southeast Asia and the wider Asia-Pacific region. Drawing on deep familiarity with the region's cultural, business and legal landscapes, we offer integrated, cross-border expertise in *private client services, UK and US tax matters, family office establishment and governance, real estate, mergers and acquisitions, and dispute resolution.*

Areas of Expertise

Private Client

Our private clients have shaped our business, and we've worked with some of them for more than a century.

Our role is to enable people to make the most of their wealth now and in the future. With our support, they can ensure a smooth succession, not only of family assets, but also of the values that brought them wealth in the first place.

With a full-service legal team, our advice is always grounded in the realities of your life — your succession planning, your marriage, your family values, your property and your assets. We are deeply embedded in the world of private wealth, working closely with families, private banks, trust companies and family offices.

Our teams are ranked *Tier 1 in Private Client and Family* by The Legal 500 APAC 2026, and are also ranked in China (as an international firm) and Singapore in the Chambers High Net Worth Guide 2025.

We are here to help you with:

- Estate planning and succession
- Wills and inheritance
- Trust establishment, administration and restructuring
- Charities and philanthropy
- Matrimonial and family law
- Immigration law
- Personal tax and asset planning
- UK taxes and tax compliance
- International tax and trust planning
- Family office structuring and operations
- Pre-IPO and post-IPO trust planning
- Probate and estate administration
- Property (local and international)
- Reputation management
- Trust and estate litigation
- Business planning
- Art and luxury

US Tax and Wealth Planning

We are one of the top US Tax and Wealth planning legal advisors.

Tax is an indispensable part for wealth management, and complicated tax requirements can be a significant setback. Professional and tailor-made tax planning is vital to transfer your legacy.

With a deep understanding of international business practices and a track record of success, the team is well-equipped to provide top-tier and pragmatic legal support to APAC clients engaging in complex cross-border transactions and investments.

Our firm focuses on providing professional tax and wealth planning services to private and corporate clients in the Asia-Pacific region. We are expertly familiar with US taxation, and we provide legal solutions to corporations, funds (for example, hedge funds and VC funds), investors, UHNW families and individuals relating to US income tax, US estate tax, US gift tax, and US generation-skipping transfer tax.

We are here to help you with:

- Grantor trust planning
- Sophisticated estate planning
- IRS disclosure for non-compliant taxpayers
- US real estate investments
- FATCA and CRS compliance requirements
- Renunciation of US immigration status
- Drafting and negotiating Limited Partnership Agreements (LPA), Private Placement Memos (PPM), and side letters
- US tax planning and structuring
- Outbound issues such as the Passive Foreign Investment Company (PFIC) and Controlled Foreign
- Corporation (CFC) rules
- Inbound issues such as FIRPTA, US trade or business (commonly known as US Tax Nexus), withholding tax rules, and portfolio interest exemption
- Qualified Small Business Stock (QSBS) analysis

Corporate

What's your story? That is the first thing we ask new clients – so that we fully understand their needs and aims from the start.

Strong relationships sit at the heart of how we work. By embedding ourselves within our clients' teams, we gain the clarity needed to understand their ambitions and the challenges ahead. That insight allows us to bring in the right legal expertise at the right time, helping businesses seize new opportunities and move forward with confidence.

Wherever you are in your business growth story, you won't be navigating it alone. Early-stage companies can rely on us for the right financial structures, access to funding markets, and preparation for the next phase.

As businesses begin to scale, our responsive, practical advice helps them strengthen their brands, expand market presence, and attract investment.

For established multinationals, we act as a long-term partner, providing full-service legal support to keep operations running seamlessly across multiple jurisdictions.

We are here to help you with:

- Commercial, technology licensing contract and shareholder agreements drafting
- Business set up
- Corporate governance
- Mergers, acquisitions and strategic alliances
- Private equity
- Cross-border joint venture
- Foreign investment
- Foreign direct investment
- Restructuring
- Listed/unlisted corporate acquisitions
- Divestiture
- Listing and follow-up services
- Employment
- Immigration
- Intellectual property
- Data privacy and protection

Capital Markets

Whether you are an issuer, investment bank or investor, our team can support you and work seamlessly with other professionals and advisers in your capital markets transactions and projects.

We offer expert guidance across a comprehensive range of debt and equity capital market transactions, including initial public offerings in Hong Kong and other international and regional markets, including US, UK and the European markets. Our expertise encompasses equity and debt offerings.

Our capital markets lawyers based in Hong Kong represent a diverse array of issuers in a wide range of business. They have acted for clients across different industries, such as surface material coating, manufacturing, mining and natural resources, pharmaceuticals, media and education, logistics, retail, animation, financial services, and energy, in handling complex transactions.

As your company expands, we are committed to nurturing and valuing our ongoing relationship with you, providing continuous strategic and practical advice. Leveraging our multi-disciplinary approach and cross-jurisdictional teams, we provide corporate advisory and governance services to address daily challenges and a wide array of governance and compliance issues. We deliver tailored solutions that align with your business objectives and regulatory requirements.

We are here to help you with:

- IPOs, introductions, secondary listings, dual listings and reverse takeovers
- Public company fund raisings, placements, open offers and rights issues
- Share buybacks
- Scrip dividends and distributions in kind
- Hong Kong Listing Rules, Takeovers Code and Securities and Futures Ordinance compliance, regulatory and corporate governance advisory
- Capital and debt restructuring, capital reduction and schemes of arrangement
- Pre-IPO investments and financings
- Senior executive service contracts, share option schemes and incentive schemes

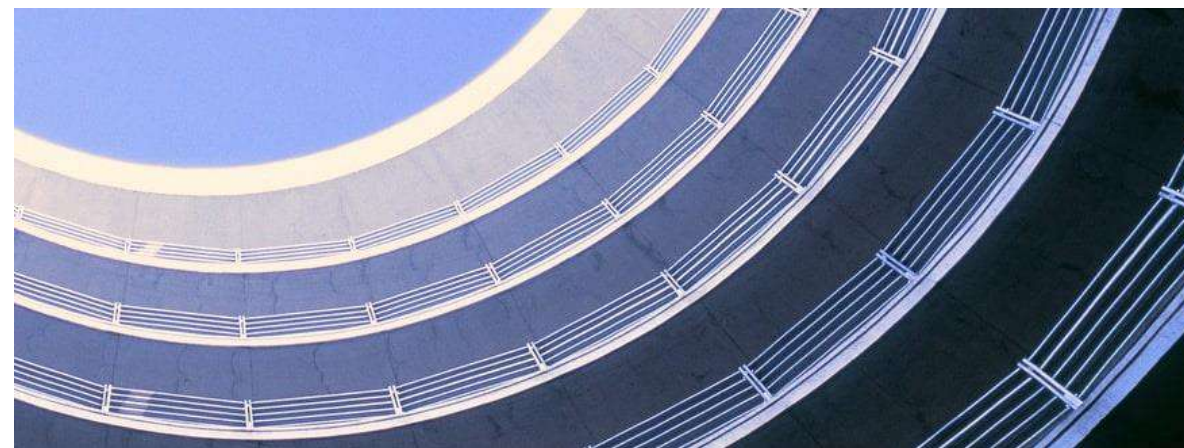

Financial Services Regulation and Funds

We provide an end-to-end solution across the entire life cycle of a fund.

Our funds and regulatory practice comprises a dedicated team of investment funds lawyers and legal staff, covering the full spectrum of investment funds—from private equity and hedge funds to retail and authorised funds—as well as all non-contentious regulatory issues related to investment management activity in Hong Kong.

We regularly assist and represent managers and clients with their SFC licensing applications, enabling them to conduct regulated activities in Hong Kong, including asset management, securities dealing, and investment advice. Our team, with its deep experience and insight into the crypto space, also provides assistance with crypto-related regulatory matters and applications, including VATP Licence applications, VA uplifts for crypto management, trading and advisory activities, as well as MSO and OTC trading.

We offer integrated advice and support on operational, regulatory, and transactional aspects to fund managers, sponsors and investors (including institutional parties, family offices and HNWI's). Our in-depth industry knowledge and expertise in specialist areas equip us to advise on a comprehensive range of issues relevant to hedge, private equity, crypto, and hybrid funds, as well as their managers.

We are here to help you with:

- Funds / crypto funds /family office funds and asset management setup/structuring
- Fund establishment and set up, including drafting/reviewing fund documents across all jurisdictions, including Hong Kong and Cayman Islands
- Regulatory advice in relation to Hong Kong's securities and virtual assets regime (including marketing of funds/disclosure of interest)
- SFC licensing and other regulated activity related applications
- Compliance review for licensed corporations

Real Estate

We have learned that the ideal partner for clients in this sector takes the initiative. That takes a genuine enthusiasm for the exciting projects that happen in this space.

We deliver a comprehensive range of property related services both locally and internationally to a range of clients including occupiers, corporates, major investors, developers, government entities and high-profile families and individuals across Hong Kong and the wider Asia region.

We offer advice that spans the property asset life-cycle – from the development stage to the point of sale. We will dig deep into your portfolio to help you realise its full value – tackling changing regulations or corporate structures. When it comes to disputes, we can call in the experience of our local team to minimise disruption and maximise net recovery – so that you can get on to the next challenge.

In addition, we have extensive experience of advising our local clients (both corporates and individuals) in relation to investing into both commercial and residential property in the UK.

Our team has been named *a Leading Firm in Real Estate* by The Legal 500 Asia Pacific since 2023.

We are here to help you with:

- Development
- Investment and finance
- Regeneration and housebuilding

Construction Engineering and Projects

Our award-winning Construction, Engineering & Projects team delivers pragmatic, commercially focused advice aimed at achieving timely and cost-effective project completion.

Based in Hong Kong and the Middle East, our team supports clients across Asia and beyond.

We provide a full spectrum of construction-related services locally, regionally and globally, advising on both contentious and non-contentious matters. Our work spans the entire project lifecycle—including contract drafting, development, engineering and risk management—across sectors such as residential, commercial, marine, infrastructure, healthcare, education, hospitality and leisure.

We act for clients in both the public and private sectors, including government bodies, regulators, project developers, lenders, investors, contractors, subcontractors and consultants. The team is experienced in drafting and negotiating all major forms of construction and engineering contracts, including FIDIC, NEC and JCT.

On contentious matters, we advise on dispute avoidance and resolution strategies, including ADR, adjudication, expert determination, and both local and international litigation before domestic courts as well as the DIFC and ADGM courts. We also represent clients in arbitration.

We are here to help you with:

- Bespoke And Standard Form Construction and Engineering Contracts
- Procurement And Tendering
- Project Forms, Consultancy Agreements and Security Documentation
- Contract And Claims Management
- Local And International Litigation and Arbitration

Family

The best advice at the worst of times.

Our approach is humane, sophisticated and pragmatic. We understand the needs of people with complex lives. Many of our clients are from international families. They often have significant assets. Several are in the public eye. We have pioneered a cross-disciplinary approach to family law, and work alongside our experts in tax and trusts, trust disputes, corporate law, immigration, property disputes and other areas of law to deliver a smart, bespoke service to our clients.

Today our work is not just about what happens once a relationship, be it marriage, civil partnership or unmarried cohabitation, breaks down. It is ever more important to plan for the future and we advise on a great range of relationship agreements and wealth preservation strategies.

Flexibility is key to our approach. With a leading family mediation practice as well as arbitrators and collaboratively trained lawyers, we are not afraid to recommend innovative ways to resolve disputes. Litigation should usually be the last resort, but we protect our clients' interests fiercely - and successfully - when court proceedings are required.

Our team has been ranked *Tier 1 in Private Client and Family* in Hong Kong and Singapore by The Legal 500 Asia Pacific 2026 and as a Leading Family & Divorce Law Firm in Hong Kong by Doyle's Guide 2025.

We are here to help you with:

- Family Law, Divorce and Separation
- Child Custody and Financial Application
- Pre- and Post-Nuptial Agreements
- Injunctions and Non-Molestation Orders
- Relocation and Removal Applications
- Wardship and Child Abduction under the Hague Convention
- Surrogacy and Parental Orders
- Same-sex relationship disputes

Dispute Resolution

We know our clients want to be confident that we can deliver the right result when it counts. But also that what constitutes a win can mean different things to different clients.

That's why our first move is to get to know you, your business and the commercial landscape intimately – so that disputes can be resolved efficiently and effectively or avoided altogether.

We move quickly to the heart of any challenge, taking initiative and innovating where it adds value. With deep regional experience, we provide strategic, pragmatic and commercially grounded advice tailored to the pressures you face. Our expertise spans international arbitration, cross-border commercial disputes and sector-specific investigations across the Asia Pacific region.

Our Asia practice is part of Charles Russell Speechlys 150+ strong litigation team which acts for multinational corporations, major companies, governments, regulatory bodies and high net worth individuals in resolving complex, high-value commercial disputes.

We are here to help you with:

- Anti-bribery and anti-corruption
- Corporate restructuring and insolvency
- Family disputes
- Fraud and asset recovery
- International arbitration
- Investigations
- Private Wealth disputes
- Real estate and construction disputes
- Trust and estate litigation
- Shareholder disputes
