

About Banyan Workspace

Join our stylish boutique coworking and private office space in Quarry Bay and become part of an innovative and ethical business community.

Inspired by and committed to our home city, Banyan Workspace roots itself in a strong sense of social purpose, working closely with a variety of local non-profits to benefit the Hong Kong community.

Consistently voted the city's "greenest" coworking space, our luxurious design aesthetic belies a passionate dedication to sustainability, with our eco-friendly materials and products, energy-saving details and one of the most extensive recycling systems in the sector.

The elegant break-out areas at Banyan Workspace are available for your daily use, and can also be rented out for private functions, perfect for presentations or press conferences. Our double-height Library with spiral staircase and balcony is a signature space, and can be used to access the upstairs Private Offices.

QUARRY BAY

Rediscover our local roots

Address:

Suite 1204, Eastern Harbour Centre,
28 Hoi Chak Street, Quarry Bay

Transport:

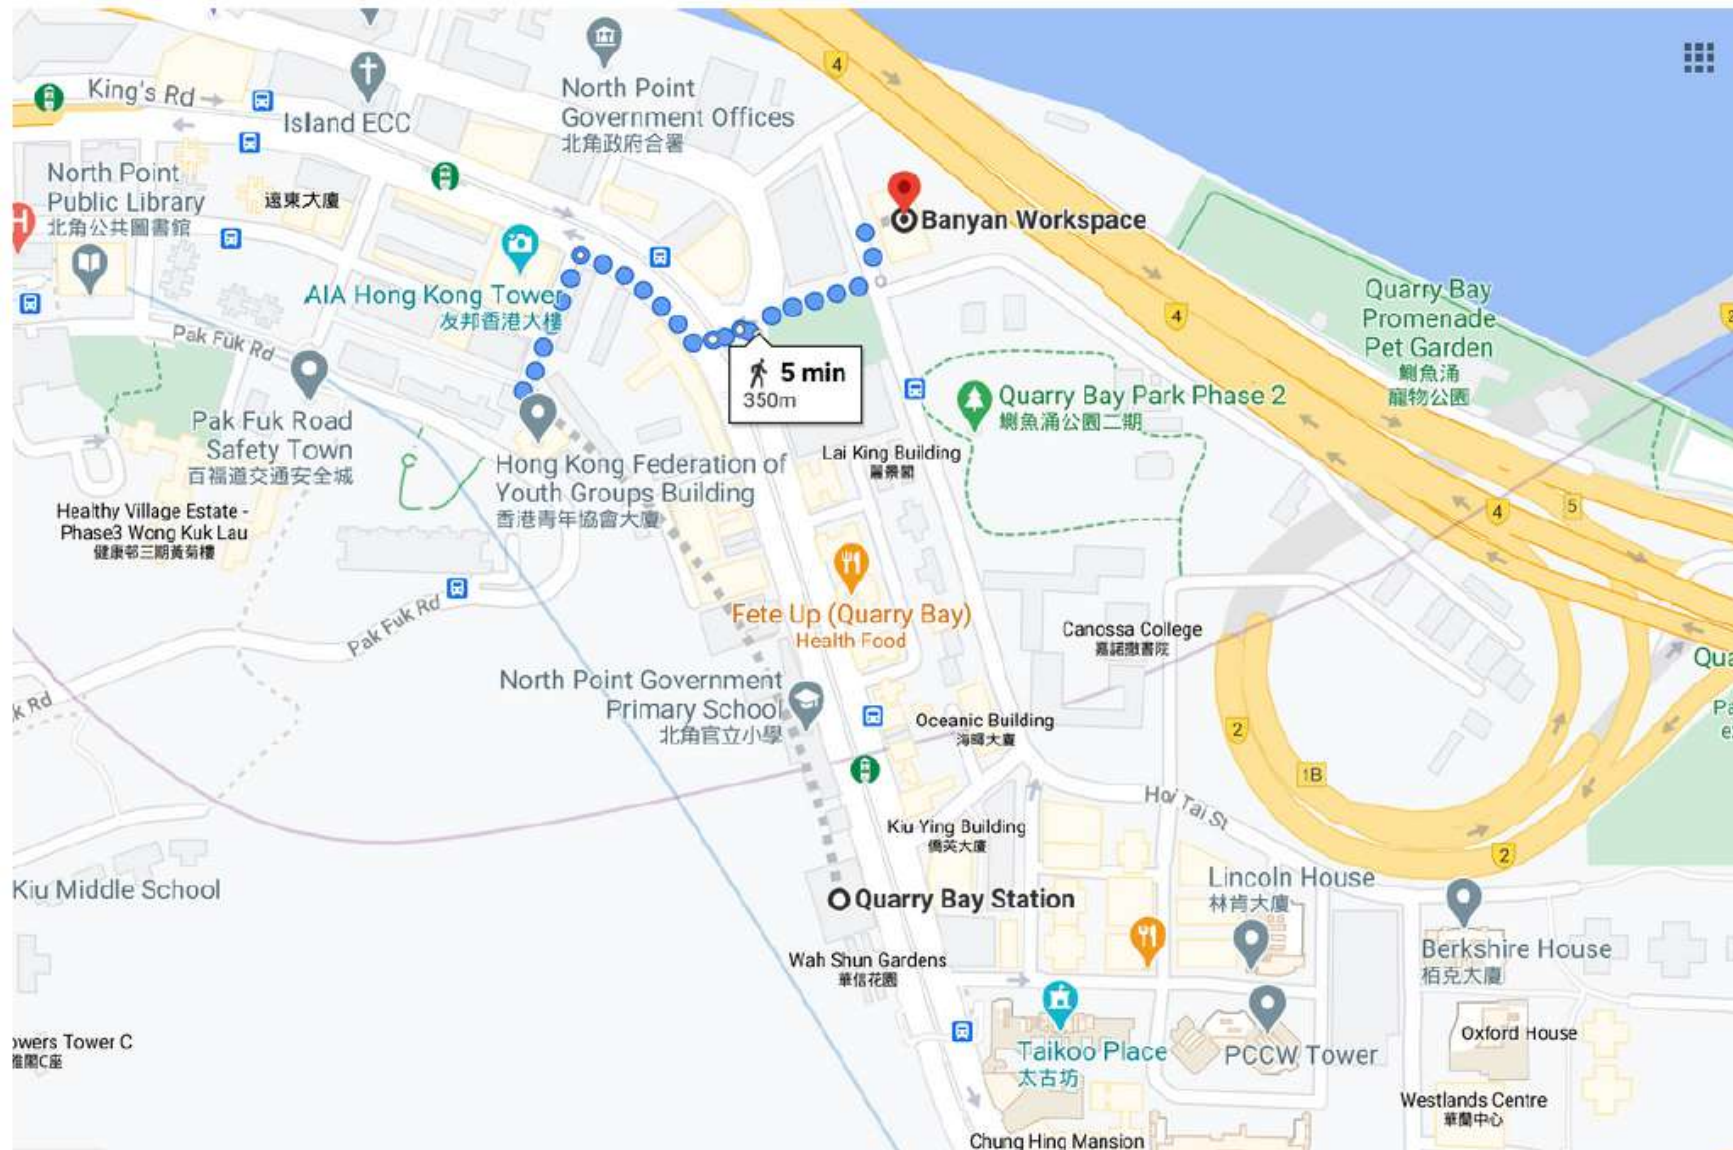

2 min to HK tramway stop

5 min to MTR - Quarry Bay Exit C

6 min to Taikoo Place

Several car park options available

The iconic Eastern Harbour Centre is just minutes away from the heart of Quarry Bay and its plethora of shops, gyms and a thriving up-and-coming restaurant scene. However, its more discreet location offers the advantage of fewer crowds, stunning sea views and easy access to the beautiful waterfront promenade.

- Provision of energy-conscious appliances
- Ethically-sourced drinks and snacks
- Extensive recycling system (incl. composting)
- Use of recycled paper
- Handmade cleaning products and hand sanitiser
- Reusable takeaway lunch boxes

Non-Profit Partners

Collection Point

B

Banyan Gives Back

A cornerstone of our philosophy at Banyan Workspace is our commitment to giving back.

We have created a model that embraces select non-profits, allowing both ourselves and our members to give back financially as well as by donating our time.

Each month 2% of every member's rate is donated to the non-profit of their choice (*chosen from our 5 selected non-profits).

Volunteering Activities

We regularly organise volunteering activities with local non-profits, providing all our Members with the opportunity to collaborate with each other for a good cause.

Past activities have included beach cleans, food packing and collections / drives. Be the change you want to see in the world!

More than a Workspace

At Banyan Workspace, it is the people that make us so special. We are a passionate and authentic team of like-minded people, driven by purpose and sustainability, and we share our commitment to Giving Back with our Members.

You will have full access to our volunteer activities, assistance with building charitable relationships in Hong Kong, and have 2% of your monthly rent donated to one of four local nonprofits.

As befits our international city, our team can communicate fluently in English, French, Mandarin and Cantonese. We work hard to connect people and create new opportunities for your business success.
