

Cheng Chin Pang Certified Public Accountant (Practising)

Your Trusted Partner in Assurance, Tax, and Business Advisory

About Us

Cheng Chin Pang Certified Public Accountant (Practising) is a Hong Kong-based CPA firm dedicated to delivering professional, reliable, and forward-looking accounting and advisory services. We support businesses of all sizes—from start-ups to established enterprises—by providing clear insights, compliant reporting, and strategic guidance tailored to Hong Kong's dynamic regulatory environment.

Our mission is to help clients operate with confidence, meet statutory obligations, and make informed decisions that drive sustainable growth.

Our Core Services

1. Hong Kong Audit & Assurance Services

We provide independent, high-quality audit services in accordance with Hong Kong Standards on Auditing (HKSA). Our approach emphasises transparency, risk awareness, and practical recommendations.

Key offerings:

- Statutory audit for Hong Kong companies
- Review engagements and agreed-upon procedures
- Audit for groups with cross-border operations
- Internal control evaluation and enhancement
- Special purpose audits (e.g., turnover certification, grant audits)

Value to clients:

- Strengthened credibility with investors, banks, and regulators

- Clear insights into financial performance and control environment
 - Compliance with Companies Ordinance and regulatory requirements
-

2. Taxation Services

We help clients navigate Hong Kong's simple yet evolving tax regime with precision and foresight.

Key offerings:

- Profits Tax computation and filing
- Salaries Tax and Individual Tax Return preparation
- Tax planning for business restructuring and cross-border arrangements
- Handling IRD enquiries, reviews, and field audits
- Employer's returns and tax compliance support

Value to clients:

- Optimised tax position within legal frameworks
 - Reduced compliance risks
 - Efficient handling of IRD correspondence
-

3. Accounting & Financial Reporting Services

Accurate and timely financial information is essential for effective management. We provide end-to-end accounting solutions tailored to your operational needs.

Key offerings:

- Monthly, quarterly, or annual bookkeeping
- Preparation of financial statements under HKFRS / SME-FRS
- Management reporting and KPI dashboards
- Cloud accounting system setup and training

Value to clients:

- Reliable financial data for decision-making
 - Reduced administrative burden
 - Compliance with statutory reporting standards
-

4. Company Incorporation & Corporate Services

We support entrepreneurs and investors in establishing and maintaining Hong Kong entities with full compliance.

Key offerings:

- Hong Kong company incorporation
- Business registration and statutory filings
- Company secretary services
- Annual return preparation and filing
- Maintenance of statutory records and registers

Value to clients:

- Smooth and efficient setup process
 - Full compliance with Companies Registry requirements
 - Ongoing corporate governance support
-

5. Business Advisory Services

We provide practical, data-driven insights to help businesses grow, transform, and manage risks.

Key offerings:

- Financial and operational risk assessments
- Business process optimisation

- Cash flow and working capital analysis
- Budgeting and forecasting
- Advisory for cross-border business structures

Value to clients:

- Improved operational efficiency
 - Enhanced financial resilience
 - Strategic clarity for long-term development
-
