🌐 Horizon Technology Recruitment

Specialist Recruitment Agency

We have experienced working with some of the world's most prestigious businesses in the IT and telecommunications industries and from this we recognise the importance of understanding our customers' needs to seamlessly deliver innovative solutions for the challenges of tomorrow, today.

About HORIZON

Horizon is a leading technology recruitment agency founded on the principles of "Speed, Quality, and Integrity." We specialize in permanent and fixed-term recruitment within digital infrastructure, covering sectors like Mobile Communications, Broadband Rollout, Data Centre & Cloud, Financial Technologies, and Sustainability. Our extensive global network and professionalism ensure top-quality service for clients and candidates alike.

Vision

To be the foremost authority in technology recruitment and fuel sustainable growth for our clients and candidates worldwide, contributing to the future developments in technological connectivity.

Mission

Our mission is to connect people with technology, fostering elite professionals to drive growth. We prioritize integrity and transparency, empowering clients and candidates to make impactful contributions to global development. Your success is our priority.

Strategic Sourcing

We provide local talent based on regional market needs.

Specialist Services

Horizon seeks to recruit highly skilled professionals who align with our client's business culture.

Our Best Services

With a combined decade's worth of specialist recruitment experience in the telecommunications industry, we are passionate about closing the digital divide, advancing digital development globally and making long lasting connections with both our clients and candidates to create a sustainable future for all.
