The Government of the
Hong Kong Special Administrative Region
of the People's Republic of China

Mr Arnold Lau
Associate Director-General of Investment Promotion, Invest Hong Kong
The Government of the Hong Kong Special Administrative Region
of the People's Republic of China

Mr Arnold Lau is the Associate Director-General of Invest Hong Kong (InvestHK), a position he has held since October 2024.

InvestHK is the HKSAR Government's dedicated investment promotion agency, providing free, confidential and customised support for companies to establish and expand in Hong Kong and to use the city as a platform for outbound investment. It delivers sector-specific advice, coordinates with relevant government bodies and professional service providers, and offers ongoing aftercare to foster sustained inward and outward business growth. InvestHK also works closely with other government departments to reflect investor feedback in policy design, strengthen the overall business environment and enhance Hong Kong's competitiveness as an international investment hub.

Mr Lau oversees the following industry sectors within InvestHK:

- Innovation & Technology;
- Life and Health Sciences;
- Transport, Logistics & Industrials;
- Startups;
- Consumer & Hospitality;
- Creative Industries, Sports & Entertainment

He also leads InvestHK's investment promotion efforts for the Northern Metropolis, with a particular focus on innovation- and technology-intensive industries, including life and health sciences and advanced logistics, and on building an integrated ecosystem of complementary sectors that

underpins the district's development.

Prior to joining InvestHK, Mr Lau held senior roles across the public and private sectors, including a Fortune Global 500 company, multinational and Chinese enterprises, a major technology research institute and leading management consulting firms. He has extensive experience in technology-intensive and innovation-driven sectors, covering applied research commercialisation, smart-city and digital-urban development, and technology-enabled services, built on a strong consulting foundation in strategy, digital transformation and performance improvement.

Mr Lau holds a Master of Business Administration and a Master of Science in Management Information System degrees from Boston University, and a Bachelor's degree in Social Science from The Chinese University of Hong Kong.
