Lockton Greater China

Helping your businesses in the dynamic global market

2025

LOCKTON®

We harness all of our resource to do one thing: help you make your business better.

Lockton has grown to become the world's largest privately held, independent insurance broker by advising clients on protecting their people, property and reputations.

Over the last 40 years, we built our presence in China with seven offices across major financial centres. Lockton Greater China's dedicated expert teams provide customized services in managing local, regional and global insurance programs for clients of all industries worldwide.

Collaborating closely with our seasoned professionals, claims, risk engineering and loss control teams around the globe, we work with our clients as partners. We help them in establishing robust risk management plans and introducing best practice of insurance solutions so that they can remain focused on growing their businesses in both emerging and global markets.

AREAS OF EXPERTISE

Lockton service teams focus on all your risk management needs, no matter what type of project your businesses are working on. Our mission is to ensure that all of our clients get the best consultation and support, regardless of size.
