

GC PARTNERS

A finely-tuned service

Our service
is our currency.

Service bespoke for you

There's no reason why moving money shouldn't be a friendly, customer-responsive service – and that's why at GC Partners we believe in a warm, personalised approach.

It's part of what makes us stand out from the crowd. Yes, we can help with services, arranging bank accounts, exchange currencies and ensure payments are made. With speed and efficiency, of course.

But there's much more. We offer everything you'd expect with a personal touch because a close bond with clients is our hallmark. And unlike banks, we're flexible, fast and wrap our service around you.

Since 2003, we've made it simple for over 150,000 people like you to transfer money to more than 125 markets across the world. GC Partners offer a wider range of services to a broader spectrum of clients, including major international corporations, accountancy and legal practices, fund & bond managers, property developers as well as private clients.

We're rated 4.9 out of 5 on Trustpilot, which is amongst the highest-ranking of all foreign currency exchange providers.

Why are we different?

From trustees to corporate businesses and investors to private clients, we can help you get the best from foreign exchange, hedging, global payment solutions.

Supported by a wealth of experience and our partnerships, we are a safe pair of hands. In 2021 we transacted more than \$7.5 billion in foreign exchange and made over 300,000 payments on behalf of our clients.

We're not just employees. We're owners and partners in this business. That's why we do so much more to provide outstanding service to our clients. Yes, it's business, but business we care about personally.

How can we help?

We don't make life complicated. We bypass the complexity of how mainstream banks move and hold money to provide a personal, safe and secure service from day one and when you change, we adapt.

“We're straightforward and transparent about putting your business interests first and helping you stay ahead of currency risk.”

When you need to move money, we move fast. Combining our high levels of expertise with a personalised service and purpose-built technology to provide a full range of tailored financial solutions.

- For the asset manager who needs a bespoke hedging model to manage share classes - our dedicated team helps manage your currency risk, monitoring the market to ensure your investors and your business are protected from currency fluctuations.
- For the business that needs currency converted - your personal currency specialist will guide you through every transaction to save you time and money.
- For organisations administering payments to multiple destinations - whether royalty payments, payroll or more. Our mass payment platform allows you to seamlessly upload your bulk payments in one easy to manage file. Our 'Check and Fix' solution will help you reduce payment failures before they happen. Quick, simple and cost-effective.

“We know that no two businesses are the same. That's why our solutions are truly bespoke. We help you make the right decisions with sound FX strategies tailored to your needs.”

Mass Payment solutions

Process high volumes of international and domestic payments, with one simple file upload. Schedule when you want your payments to be released and seamlessly utilise, spot, forward and market orders to purchase the required currencies.

From royalty payments to payroll or redemptions you can rely on us.

Our mass payment solution allows you to seamlessly upload your bulk payments in one easy to manage file. Our 'Check and Fix' solution will help you reduce payment failures before they happen.

Validating payments this way will reduce failure rates, cut down on time and resources working out returned payments and gives significant cost savings.

“Because we validate bank details before payments are made, you cut down on cost, time and administration spent matching returned and outgoing payments.”

Mass payment services, tailor made for your business.

Risk Management

Mitigate currency risk when trading internationally with our Hedging Solutions.

We provide an extensive range of hedging solutions that can be tailored to suit your needs and help you best manage exchange rate fluctuation.

“Working closely with you, we'll create a simple, bespoke foreign currency solution built around your needs.”

- Protect your business from currency volatility
- Plan effectively to ensure profit margins are realised
- Manage your risk exposure with our simple but effective hedging solutions.

Control your risk exposure with expert help.

FX and International Payments

GC Partners assist our corporate clients in mitigating FX risks by delivering market leading service and execution. Through our extensive network of global liquidity partners, we ensure best in class currency capabilities, enabling our client's access to the markets and products they require to trade internationally.

We give our clients the flexibility to trade and allocate payments online through their GC Partners account, or leverage the expertise of your relationship manager who will be on hand to assist you every step of the way.

“We adhere to strict regulations and have robust internal controls in place, with funds held in segregated client accounts.”

Whatever you need, our service is wrapped around you.

Global Currency Accounts

Make international payments easy with our corporate current account. The Global Currency Account is ideal whether you are importing or exporting goods and services, receiving payments from your overseas clients or paying suppliers. These multi-currency accounts help you do business internationally.

Use your multi currency account to hold balances.

Each account is in your company name and comes with a unique IBAN.

“But we never forget the personal touch. Our teams are on hand to adapt our solutions to meet your precise needs or to assist should you on any day to day queries.”

As an exporter, you can use local currencies to make and receive payments from suppliers. Importers can pay suppliers or partners fast. Access market-leading rates. Feel confident that you're in a secure, FCA-regulated environment. And decide when you're ready to pay at a favourable rate.
