About LegalOne

LegalOne Global Limited, trading as "LegalOne", is an award winning, leading independent rating and research company dedicated to empowering C-suite leaders, general counsel, and decision-makers worldwide. We specialise in delivering comprehensive ratings, insights, and tailored research on commercial transactions, disputes, and intellectual property. Guided by principles of excellence, sustainability, and transparency, LegalOne adheres to globally recognised standards like ISO 9001:2015 and ICMA's Code of Conduct for ESG Ratings. Our mission is to drive informed decisions and responsible business practices, ensuring actionable intelligence and strategic success for organisations globally.

LegalOne Intelligence, a dedicated division of LegalOne, offers businesses with cutting-edge market analysis and expert strategies.

Message from the Publisher

At LegalOne, our journey is defined not only by what we deliver today but by the future we are shaping for the global legal and business community. As Publisher, I see our role as more than providing ratings and research — it is about building a platform that fosters trust, recognition, and meaningful connections across borders.

Our direction is clear: to expand LegalOne into a hub where insight meets innovation. We are investing in new ways to integrate intelligence, technology, and thought leadership, ensuring that our clients and partners have access to tools that empower strategic decisions in an increasingly complex world.

Looking forward, LegalOne will continue to champion transparency and sustainability, while embracing the opportunities of digital transformation. Through initiatives like LegalOne Intelligence, we are committed to delivering sharper analysis, forward-looking strategies, and perspectives that help organisations anticipate change rather than simply react to it.

My vision is for LegalOne to stand as a trusted partner in shaping responsible growth and informed leadership. Together, with our community of firms, executives, and decision-makers, we will define a future where clarity, credibility, and innovation drive lasting impact.

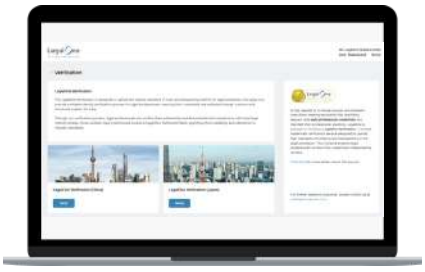
LegalOne Verification

At the request of in-house counsel and business executives seeking assurance that practising lawyers hold valid professional credentials and maintain their professional standing, LegalOne is pleased to introduce **LegalOne Verification**, a trusted credentials verification service designed to uphold high standards of integrity and transparency in the legal profession. This initiative enables legal professionals to have their credentials independently verified.

Through LegalOne's verification process, legal professionals can confirm their authenticity and demonstrate compliance with local industry bodies. Once verified, legal practitioners receive the **LegalOne Verification Mark**, a recognised symbol of credibility and adherence to professional standards.

The **LegalOne Verification** is designed to uphold the highest standard of trust and transparency within the legal profession. Our goal is to provide a reliable identity verification process for legal professionals, ensuring their credentials are validated through a secure and structured system for a fee.



LegalOne Verification services may be applied for via LegalOne's official online platform. To submit an online application, please log in and select the jurisdiction in which you are qualified to practise.
