INTRODUCTION

GIVE YOUR PODCAST A DIGITAL KICK-START

RH-Studio is a Hong Kong-based podcast creation and video production agency that uses the latest technology, creative talent, and specialized knowledge to produce engaging audio-visual experiences for its clients. We approach podcasting, webinar, and live streaming services with a focus on short lead times, high-quality productions, and customer satisfaction.

WHO WE ARE

Our company is made up of energetic and ambitious tech professionals, entrepreneurs, and creatives who provide cutting-edge podcasting, webinar, and live streaming services. With a diverse and talented team of graphic designers, editors, videographers, and wordsmiths, RH-Studio is always ready to tackle any project that comes our way.

OUR CLIENTS

In a world where many organizations are focused on expanding their audience, RH-Studio has been privileged to collaborate with clients from all over the globe and in Hong Kong.

IN-HOUSE PHOTOGRAPHY STUDIO

At RH-Studio, we are proud to own a professional photography studio for rental in Central, Hong Kong. Our studio is equipped with state-of-the-art equipment and can be used for photography and videography. We offer an hourly rate to suit your needs, and our friendly staff are always on hand to help you get the most out of your time. Whether you're a professional photographer or just starting out, we welcome you to come and experience the RH-Studio difference.

CORE SERVICES

Our three core services at RH-Studio are podcasting, webinars, and streaming. With our expertise and experience, we can provide tailored solutions for each of our clients, no matter the size or scope of the project.

Video Production

RECORD A **PODCAST**

CRISP AND PROFESSIONAL PRODUCTION

Our podcasting service is perfect for those who want to create a regular audio or video series. We offer full production services, including editing, sound design, and distribution. Our team has extensive experience in a variety of podcast genres, from entrepreneurship to AI.

SECRETS TO SUCCESS: PEARL OF THE ORIENT

Derek Kenny, Co-Founder and Managing Director of Cornerstone Global Partners - Hong Kong (CGP HK) approached us to help with his podcast, "**Secrets to Success: Pearl of the Orient**" We helped him record a video podcast at our in-house media studio with a series of inspiring individuals

WORK FROM HOME PODCAST

RH-Studio brought Malcolm Andrew's vision for the future of work to life with the creation of the **Work From Home Podcast**. The podcast features unique perspectives from experts on the changing landscape of work, with a focus on alternative approaches to the traditional office environment. RH-Studio assisted in setting up and filming the podcast, coordinating video and audio between multiple participants.

CHI ACADEMY PODCAST

At RH-Studio, we were thrilled to work on the branding for Bernard Kwan's upcoming podcast, **Chi Academy**. We helped him create a visual identity for the podcast, including a logo, thumbnails, and a colour scheme, to help connect with his audience and define a clear identity for the show.

EPISODE 1: BERNARD KWAN

WHAT IS TAI CHI AND ITS BENEFITS?

HOSTING A **WEBINAR**

INTERACT WITH YOUR AUDIENCE

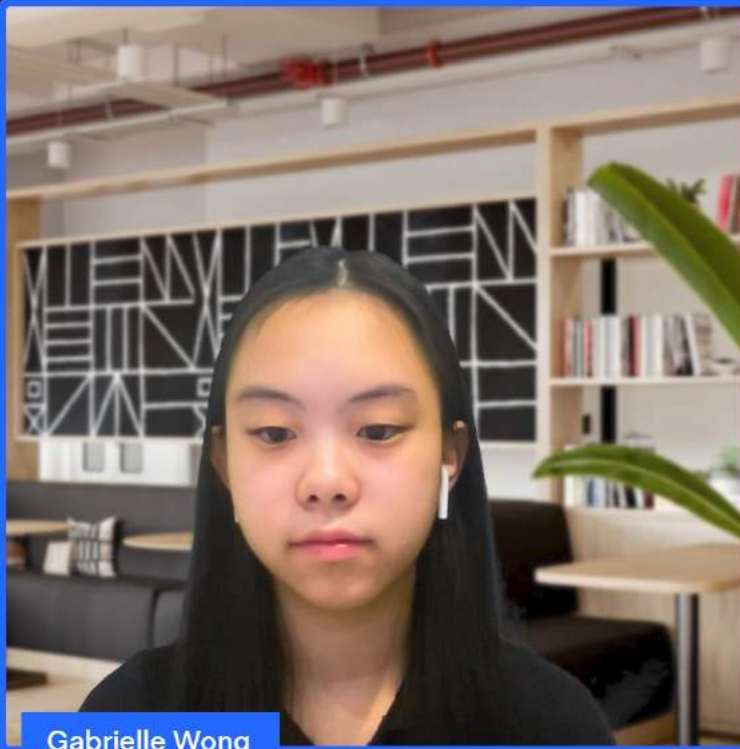

Webinars have become an essential component of remote work, and we are well-equipped to handle all aspects of webinar production. From platform selection to content creation, we have the expertise to help you make the most of this valuable tool.

RIVERSIDE

ExAI

Aspire to Inspire

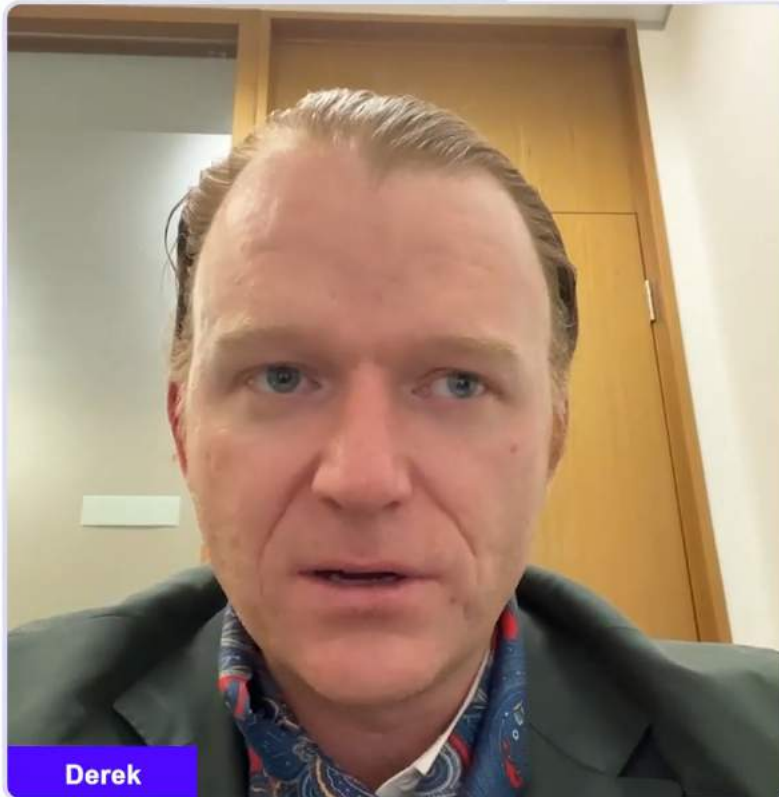

Gabrielle Wong
Host

Steven Basart
Center for AI Safety

EX AI WEBINAR

ExAI has been a huge success, attracting a large following of tech enthusiasts and AI professionals. Our production expertise has elevated the podcast to a new level, showcasing cutting-edge technology and thought-provoking discussions in a visually stunning and audio-rich format.

Derek

Stefano

MAX OUT INSPIRE WEBINAR

The **Inspire Max Out Webinar** was a huge success, with attendees gaining valuable insights into the business potential in Hong Kong. RH-Studio's expert production skills and attention to detail helped create an enjoyable and informative experience for the audience.

WEBINAR PRICING

Hosting a webinar doesn't have to be out of reach for your budget. We offer various pricing options for hosting digital events, whether it's hosting a live webinar or recording one for future on-demand viewing.

Webinar Episode

Price (starting from)

For those hosting one-off events, we offer competitive fixed-price packages.

HKD \$5,000/ep

Webinar Series

Price (starting from)

For businesses looking to plan and present multiple webinars series, we take into account duration, audience size and other factors.

HKD \$2,500/ep

VIDEO PRODUCTION

Our videography service allows our clients to record live events, presentations, and performances to audiences all over the world. We offer multi-camera solutions, graphics, and professional audio services to create an engaging experience for your viewers.

SB-CONSULTING

RH-Studio collaborated with **SB-Consulting** to create a series of high-quality recording videos and a captivating LinkedIn profile video. We employed state-of-the-art equipment and innovative techniques to capture and edit each video, resulting in a polished and professional final product.

BIMBO CONCEPT

RH-Studio was tasked with capturing the essence of **Bimbo Concept's** beautiful household products, and we rose to the challenge. Our team produced a promotional video for their Lee Garden store, highlighting the high quality and minimal Scandinavian aesthetic that sets the brand apart.

NEUFAST

Our team at RH-Studio was proud to support **Neufast** in creating a promotional video that highlights the platform's capabilities of reducing unconscious bias and promoting equal employment opportunities. The video has helped Neufast to promote their innovative solution to a wider audience, leading to an increase in interest and adoption of the platform.

HIRE THE RIGHT PERSON

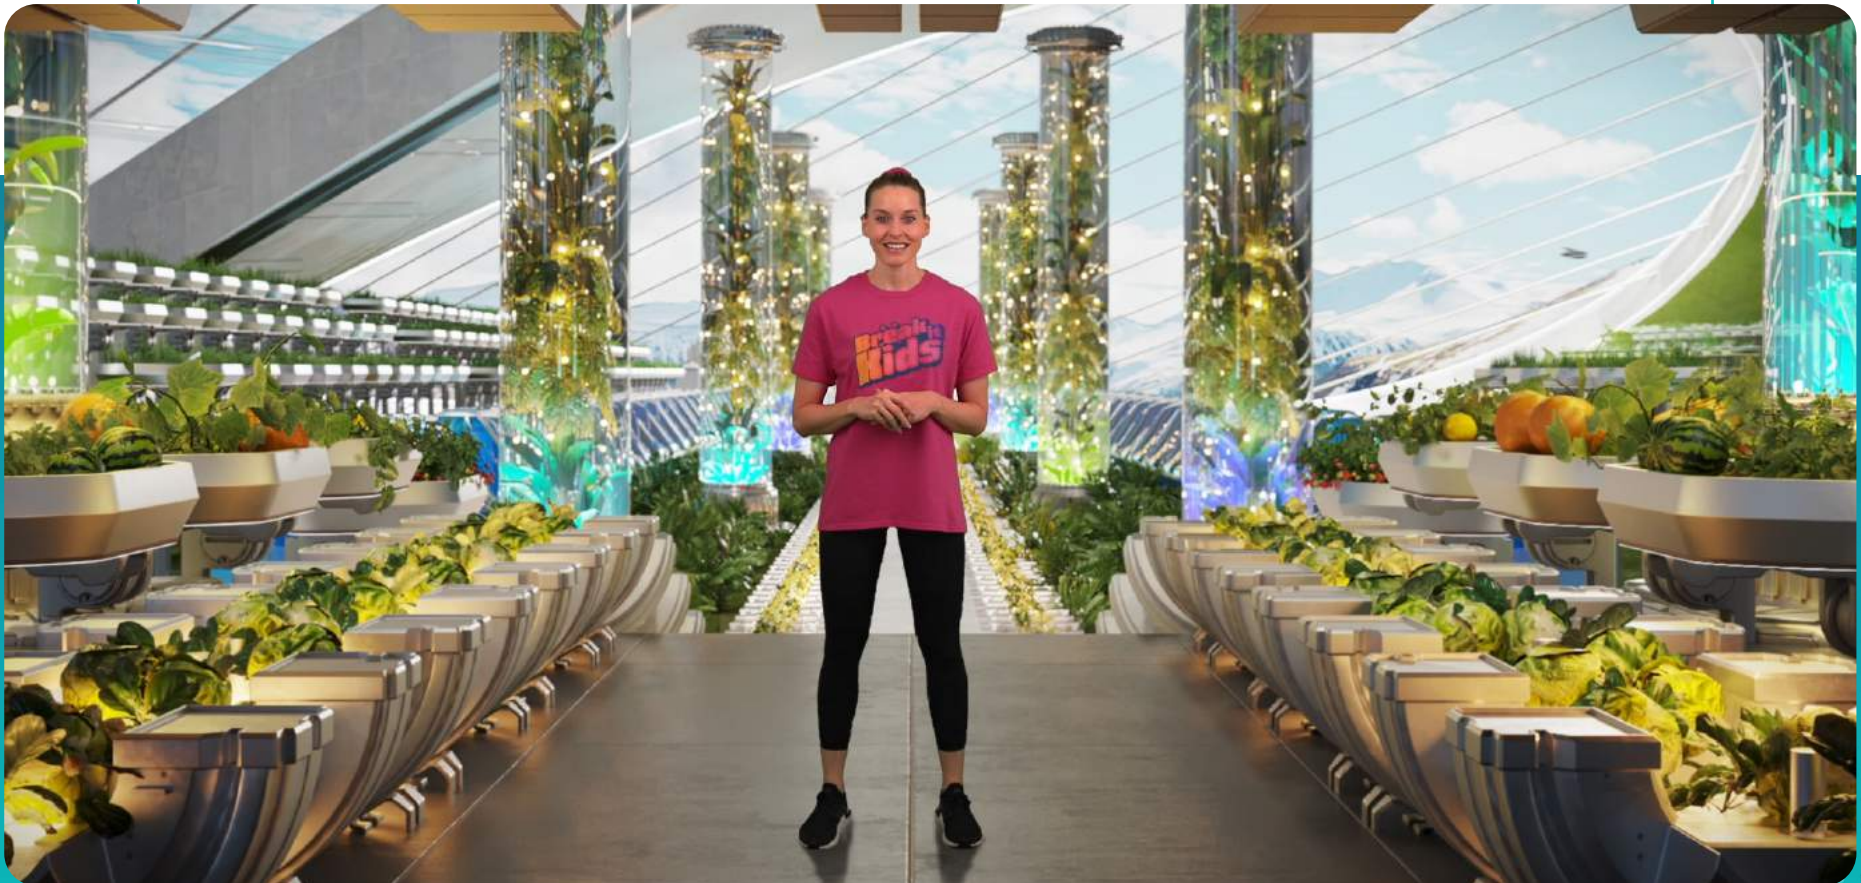

MONX

Our team worked closely with **Monx** to create a series of marketing videos that highlight key pieces of accounting information in an engaging and informative way. Shot in our state-of-the-art studio, the videos feature various members of Monx sharing tips and insights related to their specialized fields.

BREAK IT KIDS

We helped bring **Break it Kids** to life by filming the TV show in our in-house media studio. With the help of a green screen backdrop, we captured the play-based movements that encourage kids to exercise. The use of green screen technology, combined with expert video and audio production, helped to bring the show to life and make it stand out from the rest.

VIDEO PRICING

We offer affordable video production services to our clients. We believe that everyone should have access to high-quality video production, regardless of budget.

Talking Head Testimonial

Price (starting from)

Make a strong first impression with a film in which you can explain your services or anything else you want.
