Employer of Record

Your Global Workforce Solutions for International Expansion. Seamlessly enter new markets without the need to establish a local legal entity through our EOR (Employer of Record) service and PEO (Professional Employer Organization).

We assist companies in expanding internationally by managing the recruitment, hiring, and payment of employees on the company's behalf. Our EORs take charge of all formal employment responsibilities, encompassing payroll procedures and compliance documentation.

Recruitment Service

We specialize in offering recruitment services for professionals in a wide range of industries, covering mid-level to executive roles. Our expertise lies in finding the right talent to meet your organizational needs and drive success.

FastLane

Together We Build
Better Business

Fastlane Group provides a comprehensive suite of professional services which help to empower and advise their clients.

About Us

The Fastlane Group was founded in 2013 as an accountancy and advisory firm that combines innovation and technology to expert professional services within the SME market, with a particular focus on Entrepreneurs, Startups, Fast Growing Technology Companies, Startup Angel Investors and Venture Capitalists. The Fastlane Group provides best in class service for businesses wishing to launch and operate in Hong Kong, ensuring they maintain the financial and compliance needs as regulated in Hong Kong.

Offering a diverse range of professional services including accountancy, auditing, company formation and payroll management and HR advisory assistance, the Fastlane Group is able to provide a holistic and comprehensive suite of services for our clients.

Our group entity, FastLane CPA Limited is a CPA practice registered with the Hong Kong Institute of Certified Public Accountants ("HKICPA"). We are also licensed with Hong Kong Company Registry to provide corporate services in Hong Kong and other jurisdictions.

The Fastlane Group currently supports over 1000 companies and is experiencing rapid growth with business partners and supporting networks.

Our Purpose

The Fastlane Group provides expert professional services within the SME market, with a particular focus on Entrepreneurs, Startups, Fast Growing Technology Companies, Startup Angel Investors and Venture Capitalists.

The FastLane Group provides best in class service for such business wishing to launch and operate in Hong Kong, ensuring they maintain the financial and compliance needs as regulated in Hong Kong.

Our Clients

We offer an unique delivery model with technology that enables us to provide an unrivalled service which has successfully supported more than five hundred companies since inception.

We are proud to be working with some of the best startup, SMEs and innovative companies in Hong Kong.

Supports 1,000+ Clients

Beautiful Accounting Software

We are Xero Platinum Partner

Running a business but have no time for accounting? With Xero, you can access and review your business finances anytime or anywhere from any internet-connected device.

We are Xero Certified

We started our journey with Xero in 2013. Being a Xero Platinum Partner means our team are Xero experts and can guide you through the benefits of Xero and transform how you do your bookkeeping, run your credit control and even pay your employees.

We can be involved as much or as little as you need. The benefit of Xero being a cloud-based software means collaboration can take place from anywhere with an internet connection, on any device. There is no time wasted, or added expense downloading or copying information to send to your accountant.

We can help you master this powerful software, get a real-time view of your cash flow, reconcile, send invoices or create expense claims, import and categorize your latest bank transactions, and thus accelerate your business.

Xero Services

- Xero one-on-one or group training
- Xero implementation
- Xero health check
- Xero accounting catch-up
- Xero accounting outsourcing
- Xero integration with other cloud solutions
- Xero based audit engagement

A range of Xero related services

- Setting up Xero
- Migrating your data and setup of cloud applications
- Using the functions in Xero to better understand how your business is performing
- Advising you on the range of
- Xero add-ons that may benefit and increase value to your business

Client Testimonials

Soundbrenner

"FastLane has allowed us to spend less time on these parts of the business, and hence contributed to our success in becoming a global music technology brand."

★★★★★

"FastLane provides the most streamlined and easy company secretary/ accounting service for SMEs. We do not have to worry about these tedious matters and focus on what matters - the business"

★★★★★

"FastLane has got our back in accounting and government filings matters. This allows us to save our energy to focus on what we do best."

Alastica Limited

★★★★★

"Having someone who works as a partner, rather than a typical "accounting" company has helped us focus on the business side of things. We have, and will continue to recommend FastLane our chosen service provider."

★★★★★

We Eat

"By offering fair prices, a full service package and expert knowledge, FastLane was the right choice for us to trust with our accounting matters"

★★★★★

Grana

"Fastlane have supported our capital raising round by advising and building our financial models, setting up Xero and unleashed inventory systems, right through to managing our monthly accounting and payroll so we can focus on growing our business. I can recommend Alex and the whole Fastlane team as an efficient and professional

★★★★★

"FastLane is the perfect fit for startups that are looking for flexibility, trustworthy consulting, and someone that is willing to work with you to grow the business together. Their team is ahead of the curve with their cloud-based solutions and fast to respond to your needs at any time. I have personally recommended their services to many companies I know who are looking to establish a presence in Hong Kong and China PRC."
